## 150th Anniversary Celebration

### Who is our Oldest Resident? Let us know if it's you!

If you've lived here for decades ....

... lived through the Great Depression,

... lived through World War 2

... or saw "Gone With the Wind" in the theater,

we want to hear from you.

Township Officials have announced that they are seeking to identify, then honor the eldest member of our community. **If you think you know the town's oldest resident (or perhaps think you are that person),** enter our contest.

#### Rules:

1. The entrant must have resided in Weehawken for the majority of their life.
2. The entrant can be a former resident living in a nursing home or with their family if the person spent the majority of his or her lifetime up to that point residing in Weehawken.
3. The person submitting the nomination must show proof of birth date.
4. Call the Recreation Department at 201-319-6061 or email us at [recreation@weehawken-nj.us](mailto:recreation@weehawken-nj.us) to enter.
5. All nominations must be received by August 13, 2009.

Winners will be announced and recognized on Sunday, September 13 at the Sesquicentennial Parade.
